Our incredible volunteers have worked around the clock to bring you an event filled with glitz, glamour, theatrics, and mystery.

While we all look forward to the festivities and celebration the evening is sure to bring, it's important to remember our collective efforts are crucial in helping ensure our medical team has the equipment and support it needs to provide high quality care for you and your loved ones.

This year, thanks to the generosity of Brian and Kym Read in matching all funds raised at this event, we are presented with an incredible opportunity: **every dollar you spend will have double the impact.** With all proceeds directed towards mental health initiatives, your contributions will greatly impact front line services, helping improve access for community members to mental health supports and specialty mental health treatment.

Having a cutting-edge hospital with advanced services in our community doesn't just happen. It requires all of us to come together and invest in the medical resources, equipment, and technology that are fundamental to ensuring quality patient care. **We are incredibly grateful to have such a high level of support from you and other community members who share our vision.**

**Thank you for joining us** in this special evening and helping us meet our mission of enabling exceptional care at Northumberland Hills Hospital.

In gratitude,  
Jeff & Rhonda

# GALA CHAIR MESSAGE

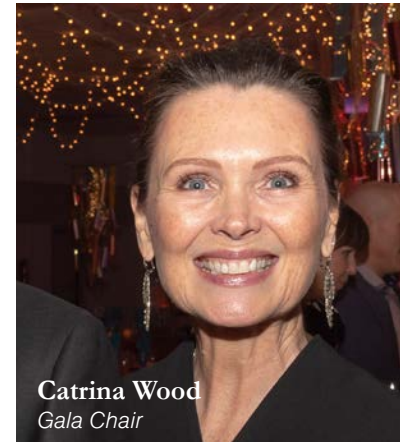

19TH ANNUAL NHH FOUNDATION GALA

It has been my privilege and delight to chair the volunteer committee of the **19th annual Northumberland Hills Hospital Gala** and to help bring you our Masquerade Ball. As a relative newcomer to the area I am continually **impressed by the strength and warmth of this community** and without a doubt Northumberland Hills Hospital is the beating heart at it's centre. As a volunteer with the St. John Ambulance Therapy Dog program I am out and about in the hospital on a weekly basis. I see first-hand the impact of the funds raised at this event. Our hospital has the ability to purchase cutting edge medical equipment and to attract topflight doctors, nurses, and health care professionals; **all of this a result of your benevolence and support.**

This year we have been given an incredible fundraising opportunity. From the generosity of the Read family through their foundation, **all monies raised by the Gala will be matched!** Just imagine what your donations and sponsorship dollars can achieve, just imagine how many individuals will be helped by this initiative. Please peruse our brochure to fully understand the altruism of local residents who have come together in the true spirit of philanthropy to **support Northumberland Hills Hospital, the cornerstone of all our neighbourhoods.**

My heartfelt gratitude to everyone participating in the Masquerade Gala this year.

With respect,  
Catrina Wood  
*Gala Chair*

**THANK YOU  
TO OUR VOLUNTEERS!**

The Gala  
Cabinet  
would also like  
to recognize the  
many volunteers  
who helped  
to make this  
evening possible.

**IT COULD  
NOT BE DONE  
WITHOUT  
THEIR SUPPORT!**
