

Thank you for putting the CARE in healthcare.

In the past year the NHH Foundation contributed **\$938,902** to purchase lifesaving medical equipment and invest in building enhancements to help keep quality patient care close to home. We are able to do this as a result of your belief in our physicians, nurses and healthcare professionals.

Below is a summary of your gifts in action:

Investments made from April 1, 2015 to March 31, 2016

Cardiac monitoring and telemetry (partial; project complete)	\$79,946	Bone Mineral Density scanner	\$90,682
Spirometer for ICU	\$2,924	Medication refrigerator	\$4,857
Fetal monitors (5)	\$107,093	Narcotics room camera	\$2,823
Transport fetal monitor	\$19,076	Food waster collector for Dietary Services	\$25,000
Stretcher for Surgical Services	\$3,506	Food wells for Dietary Services	\$1,586
Endoeye scopes for Surgical Services (3)	\$51,645	Computer on wheels (2)	\$21,899
Cystoscopes for Ambulatory Care (2)	\$19,452	Blood bank label printer	\$1,658
Bronchoscopes (2)	\$61,738	Server room UPS battery replacement	\$12,838
Scope cabinet	\$5,306	Entry Point software (partial)	\$43,122
Surgical instruments (multiple)	\$30,155	Fuel tank system upgrade	\$166,48
Optiflow for Emergency Department	\$2,506	Cooling tower rebuild	\$50,843
Chemistry analyser	\$81,959	Building automated services communication board	\$23,168
Replacement CPUs for PACs workstations	\$28,635		

Total Purchase of Medical Equipment: \$698,409
Total Investment in Building Enhancements: \$240,493
