

Stronger Together: Stay ABreast is a community event dedicated to raising awareness, providing support, and empowering individuals and families affected by breast cancer. **Tickets will be sold (\$55/person) for community members to join us on Wednesday, October 7 from 6:00-9:00pm at the Capitol Theatre in Port Hope.** We invite you to partner with us as one way to demonstrate your commitment to community wellness by supporting breast cancer education, awareness initiatives, and access to critical services.

The evening will incorporate personal stories shared by two individuals affected by breast cancer. One participant will share her experience navigating diagnosis and treatment, while another will share her story of survivorship. Throughout these stories, attendees will hear from both healthcare and wellness professionals, who will highlight the services, resources, and supports available in our community throughout every point of the breast cancer journey.

In addition to raising awareness and educating the community, **Stronger Together: Stay ABreast** will serve as a fundraiser benefiting both Northumberland Hills Hospital (NHH) Foundation and the Survivor Thrivers dragon boating team. Funds raised will help enhance the breast health program at NHH by supporting investments in a new mammography unit, breast tissue localization technology, and an ultrasound machine. Proceeds will also help the Survivor Thrivers invest in a new boat for their team of local people living with a breast cancer diagnosis.

Will You Join Us as a Sponsor?

We would be honoured to have you join us as a sponsor of this important initiative in one of the following ways. Your contribution is a statement of solidarity, compassion, and commitment to those affected by breast cancer.
